*\* Most people take MSG as seminar.*

*\*\* Manual price is not included in this workshop - manual price is \$25.00 each. All prices are subject to change.*

**By Dr. Bill Hamon**

*"We believe in being reproducers of reproducers—to empower others to move in the gifts as we too have been empowered. There is a cry in the midst of the Church today for greater participation in God's prophetic purposes.*

*Saints are not satisfied with the "status-quo" and there is an intense desire to be trained and activated into membership ministries. Truly, the Army of the Lord is being raised and the Commander-in-Chief, Jesus Christ, is beckoning all His troops to be adequately trained in all their gifts.*

*Because of this hunger in the hearts of God's people I have formulated the "Manual For Ministering Spiritual Gifts." Its purpose is not only to share vital Scripture teachings concerning the gifts of the Spirit, prophetic praise, and prophetic teams, but to also advance God's people out of the realm of theory and bring them into a living experiential reality of God's supernatural graces. This seminar is not only for those who want to 'hear' the Word, but for those who desire to be 'doers of the Word.' "*
