Our Vision

Leadership is very important. As a Christian who believes in Jesus, the process of establishing new leaders is very important! They are called spiritual mothers and fathers in 1 Thessalonians 2. Great Christian destinies and missions rise or fall based the leadership available. This curriculum is part of this process.

Are you a leader already? If so, whom do you see as a new potential leader in your group? You can help them by equipping them in Leadership Development. Are you a person who believes that God has called you to be a leader? Who could mentor you through part or all of the curriculum?

Our Strategy

On the third Saturday of each month we meet for training & equipping. This includes several opportunities to develop leadership in action. More things are caught than taught. There are also activations or lab experiences each month.

During the following month each student has academic studies to complete. This is a part of the leadership mentoring process. Some students will take this training more than once in order to grow in God.

"But grow in the grace and knowledge of our Lord and Savior Jesus Christ."
