## Our Vision

Our vision is to help God's people in local churches raise up as prophetic intercessors for their local churches. Our curriculum and activations are closely linked to the Strategic Prayer Network under Dr. C. Peter and Doris Wagner, Mike & Cindy Jacobs, Chuck Pierce and Barbara Yoder.

Who should participate? Those who are called and gifted in prophetic intercession who desire to be trained and refined under the ministry here. And those who desire an on going relationship.

The reason we require the pastor's approval to participate is that we believe in strengthening the local church.

We begin at a training level where we expect each person to have already "Ministering Spiritual Gifts" (MSG) available through Marion Christian Center. MSG training is available in many related churches including Marion Christian Center. We also recommend the student take "Healing the Broken Hearted" although it is not required for enrollment.

## Our Strategy

On the third Friday and Saturday of each month we meet for Harp & Bowl praying & training. This includes several opportunities to observe prophetic intercession in action. More things are caught than taught. There are also activations or lab experiences in prophetic intercession each month.

During the following month each student has academic studies to complete. This is a part of the intercession mentoring process. Some students will take this training more than once in order to grow in God.

*"But grow in the grace and knowledge of our Lord and Savior Jesus Christ." 2 Peter 3:18*
